## ANOTHER TRAIN WRECKED

B. & O. EXPRESS LEAVES THE TRACK  
IN WASHINGTON CITY.

The Engineer Killed and Many Others  
Seriously Injured—A Four-Story Signal  
Tower Completely Demolished—How  
the Accident Occurred—The Victims.

WASHINGTON, Aug. 18.—A frightful rail-  
road accident occurred on the Baltimore &  
Ohio railroad this morning within the limits  
of this city. The limited express, No. 4, due  
from Chicago and Cincinnati at 6:20, hav-  
ing two sleepers, two day coaches, two bag-  
gage cars and one mail car attached to the  
engine, ran away from the engineer at  
Gales' Woods. The air-brake broke and the  
train came thundering along at a fearful  
rate of speed. Just before the "Y" was  
reached, the engine jumped the track, car-  
rying the train with it. The signal tower,  
which was a four-story building, was cut  
from its foundation as if by a razor.

The news of the disaster spread through  
the city with great rapidity, and thousands  
hastened to the scene of the accident. It  
was almost the exact spot where the fatal  
accident of the summer of 1884 occurred.  
When the crowd reached the scene the train  
lay stretched like a wounded snake, extend-  
ing from First street, northeast, to Dela-  
ware avenue. The engine lay completely  
overturned and smashed out of all semblance  
to a locomotive. The tender was but a mass  
of iron bolts and bars. Fences, sheds and  
everything in its track were swept away be-  
fore the irresistible rush of the iron  
monstrous.

The engineer, Hamilton Brosius, of Bal-  
timore, was scalped to death. He was taken  
into Mrs. Ellen Dent's house, 823 Delaware  
avenue, corner of I street, where he died two  
hours afterward. The fireman, named  
Smith, jumped from the engine and had his  
legs broken. He is not expected to live.  
William Baxter, the operator employed in  
the tower, saw the train and saved himself  
by jumping out of the window and catching  
in a tree near. Joe Healy, boy employee  
in the tower, was seriously hurt.

The following is as complete a list of the  
killed and injured as it is possible to obtain  
at this writing:

Killed: Hamilton Brosius, of Baltimore,  
engineer.

Injured: Charles Koch, of Cincinnati,  
badly injured in the back.

Mrs. Charles Koch, of Cincinnati, slightly  
shocked.

Charles Morrison, of Cincinnati, injured  
in the back.

Frank Donaver, of St. Louis, shoulder  
dislocated.

J. H. Smith, of Cincinnati, fireman, both  
legs broken.

Wilhelm Buck, of Cincinnati, head badly  
cut.

Mrs. Mary Buck, of Cincinnati, shocked,  
Ed. Lechemeyes, of Cincinnati, slightly  
injured.

Joe Healy, of Washington, seriously in-  
jured.

Will Baxter, telegraph operator, of Wash-  
ington, painfully injured about the head.

With the exception of the two last named  
the injured are at Providence hospital.  
Healy and Baxter have been carried to their  
respective homes.

It was nearly 2 o'clock when the conven-  
tion was called to order by Jeremiah Murphy,  
of New York. Rev. Dr. McGlynn and Mr.  
George entered together, and were loudly applauded.

There were 600 spectators, many of whom joined in the applause.  
About two hundred delegates were seated in  
the hall when the convention was called to  
order. Chairman Murphy called on Augustus Levy, the secretary of the state  
committee to read the call for the conven-  
tion. The calling of the roll followed, and  
when the names of Dr. McGlynn and Mr.  
George were mentioned there was more applause.  
By this time it was pretty well un-  
derstood that the committee on credentials,  
with whom it left the power to decide the  
admission of the protesting Socialistic dele-  
gation, will oppose granting them seats in  
the convention.

Henry George Denounced.

NEW YORK, Aug. 18.—Lawrence Gron-  
lund, the Socialist leader, has issued a  
pamphlet for distribution at the Syracuse  
United Labor party convention to-day, enti-  
tled "Socialism vs. Tax Reform; an An-  
swer to Henry George." It contains thirty-  
four closely printed pages, and will be used  
as a campaign document by the Socialists.

It is divided into five parts: First, "Henry  
George, the Exploiter;" second, "Land in  
its Relation to Capital;" third, the "Wage  
System and Land Tax;" fourth, "Individual-  
ism and Freedom;" fifth, "Keep the  
Party on the Track." The first four sec-  
tions contain a vigorous attack on George  
and his critics.

PECCULAR DISTRESSING DEATH.

NEW ORLEANS, Aug. 18.—Information  
comes from Biloxi, Miss., that Mrs. Lillie  
D. Murray, wife of Dr. H. D. Murray, of  
the United States marine hospital service at  
the quarantine station at Ship Island, died  
yesterday evening of peritonitis. She leaves  
five children. As no intercourse is per-  
mitted between the quarantine station and  
the mainland Dr. Murray and his family  
are isolated from their relatives, which ren-  
ders this calamity peculiarly distressing.

There are no ladies on the island, and no  
clergyman could be obtained to administer  
the consolation of religion. The body was  
embalmed, and will be kept in a building on  
the island until quarantine restrictions are  
raised after frost falls, when it will be sent

to New Orleans.

THE TREACHEROUS TRESTLE AGAIN.

CENTRALIA, Ill., Aug. 18.—The Illinois  
Central Railroad company is constructing a  
new bridge over Big Muddy, between Car-  
bondale and D. Soto, and at present is  
using a temporary trestle work for trains to  
pass over. About 5 o'clock yesterday,  
shortly after a passenger train had passed  
over, coming north, the north span went  
down, carrying with it a car load of stone  
which had been run out on it. One man is  
reported to have gone down with it.

WHITE SLAVES.

A Young German and His Wife Sold to a  
Yucatan Master.

CHICAGO, Aug. 18.—An Inter-Ocean  
specialist from Au Sable, Mich., says: Ernest  
Schoelze, a newcomer here, tells a start-  
ling story of personal outrage. With his  
wife and one son, Schoelze sailed from  
Carlsbad for the United States. Their ship  
touched at a Yucatan port, and Schoelze  
and his family, together with a number of other  
emigrants, were sold into slavery.

They remained in the interior of the coun-  
try eighteen months, and then escaped to  
Campeachay, only to again be taken into cus-  
tody and subjected to the most inhuman  
treatment.

They were compelled to work in the broil-  
ing sun without covering to their bodies; his  
wife was driven into the field to work three  
days after the birth of a child; they were  
provided with but two pounds of corn meal  
a day, and this continued nearly two years  
and a half. Then the wife fell ill and was  
sent to the hospital. The husband was al-

lowed to visit her occasionally, and while  
making one of these visits he fell in with a  
German sailor, who agreed to carry the fam-  
ily to Logona, whence they were sent to the  
United States by the German consul  
Schoelze and his wife show upon their per-  
sons the effects of the inhuman treatment  
given them.

### RATES OF SUBSCRIPTION.

THE DAILY BULLETIN will be delivered to any part of the city at 6 cents a week, or one year for \$3.

THE DAILY BULLETIN to any postoffice in the United States, postage prepaid, at twenty-five cents per month or three dollars per year.

THURSDAY EVE., AUGUST 18, 1887.

It seems that the drouth has been broken for good this time. Let us hope that such is the case.

THERE never has been a period in the history of Kentucky when railroad building was more active than now. And the outlook for the future is bright and encouraging. Give us railroads and we will show you one of the most prosperous States in the Union in the course of a few years.

THE delegates who attended the State meeting of the Christian Church, at Maysville, last week, report a glorious meeting, and all of them are enthusiastic on the subject of Maysville's hospitality. From reports we should judge that "old Limestone" fairly spread herself. She generally does.—Carlisle Mercury.

MAYSVILLE unwittingly sent all over the State a fine advertisement of herself, in her generous treatment of the members of the State Convention of the Christian Church. They had carriages and street cars free, were entertained at residences, and a bounteous feast set in the basement of the fine church. All were kept in such good humor that large sums were given to missionary and other purposes.—Paris Kentuckian-Citizen.

### Stock and Crops.

Bee men in some parts of the State say the drouth has made a failure of the honey crop.

Captain S. S. Brown, of Pittsburg, having made \$100,000 on Troubadour, thinks it about time to give the race horse a rest.

The continued dry weather is said to have stagnated business at Lexington. The farmers of Fayette County complain that they will not be able to make half a crop of anything.

If the drouth continues much longer farmers will be compelled to feed their stock. The grass is all parched and pastures furnish no more sustenance now than in the dead of winter.—Owen County Democrat.

The dairy cattle of the United States occupy 100,000,000 acres of pasture land and annually yield \$500,000,000 worth of dairy products, which include 1,850,000,000 pounds of butter, and 6,500,000 pounds of cheese. The yield of our dairies is more valuable than our wheat crop, and the capital engaged in their production amounts to \$3,000,000,000—about five times as much as invested in the entire banking interest of the country.

## YOUNG MEN'S FAIR.

### The Attendance Better Than Ever Before on First Day.

### Attractive Exhibition—List of Premiums Awarded—The Races. Newsy Notes.

The third annual fair of the Young Men's Kentucky Fair Company is in full blast. It promises to surpass all previous shows held on the grounds, and these shows have all been successful.

Yesterday was opening day, and the attendance was splendid. The crowd was by far the largest ever seen on the grounds on the first day. This, too, notwithstanding the very unfavorable weather. The light showers in the forenoon kept many at home who would otherwise have helped increase the number in attendance. All who went took advantage of the opportunity and enjoyed a ride over the new railroad. The train leaves Commerce street every twenty minutes and lands passengers within a few feet of the grand stand. It is a great convenience, and the completion of the road will go far towards making the Young Men's Fair one of the biggest in the Ohio Valley. The grounds are in splendid order.

The meeting was opened yesterday with music by Haucke's Reed and Brass Band, which rendered choice selections at intervals during the day. The exhibition in the arena fully equaled that of similar rings at previous fairs. M. F. Fleming, A. W. Thompson and D. Ed. Bullock acted as directors. The following premiums were awarded:

Best pair of mules 2 years old or over, age to be considered, M. Brannon, Lewisburg, \$10. Mule, any age, Elzie Clift, Mayslick, \$10. Mule col', Isaac Jett, Robertson County, \$5. Jack, any age, Mark Brannon, Lewisburg, \$10.

Jennet, S. L. Davis, Rectorville, \$10. Saddle mare 4 years old and over, A. C. Jones, Bourbon County, \$15.

Saddle mare 3 years and under 4, A. P. Darrell, Flemingsburg, \$12.

Saddle mare 2 years and under 3, D. B. Mitchell, Helena, \$10.

Saddle mare under 1 year, A. W. Thompson, Mayslick, \$8.

Saddle mare, any age, A. C. Jones, Bourbon County, \$15.

Draft stallion, any age, Michael Roush, Brown County, O., \$10.

Draft mare, any age, John Wilson, Ohio, \$10. Draft gelding, any age, Lee A. Evans, Brown County, O., \$10.

Draft colt, under 1 year, George Knowshaw, Mason County, \$5.

The "pin match" in the afternoon was the source of much fun for the large crowd. A purse of \$3 was given to the party eating six pies in the shortest time, and a purse of \$2 to the next fastest eater. There were four contestants, all negroes: Jim Shaw, of Bourbon, and "Bath County Bill," William Bulger and Jim Bell, of this city. Bulger is a mere lad and two pies satisfied him thoroughly. He retired amid the cheers of the crowd. Shaw was an eater from way back, and seemed to enjoy the square meal hugely. He got away with his sixth pie in just seven minutes and a half by Colonel Pepper, the timer's, watch. It was nip and tuck between "Bath County Bill" and Jim Bell for second money, but Bill got there a little ahead of Bell, and walked off with the two dollars.

But one race was trotted yesterday—the 3:00 class. The 2:28 class was postponed on account of the heavy rain, and will be trotted this afternoon. The track was in fair condition until the heavy shower at half-past 3 o'clock. In the 3:00 class, there were nine entries. Seven started. Hour, second favorite in the pools, won first heat, but King Clinton had no trouble from that on and carried off the purse. Judges: Colonel Stoner, of Paris, Colonel Frazier, of Cynthiana, President James W. Fitzgerald, of this city,—with Colonel Frazier as starter. Timers: Messrs. Knox and Bryant, of Lexington.

### BAD BLOOD.

"Bud" Hilen Attempts to take George Florer's Life, but is Prevented by Constable Redmond.

A quarrel yesterday afternoon about 1 o'clock between "Bud" Hilen and George Florer resulted in the shooting and wounding of the latter in the left arm. The difficulty occurred at the intersection of the new railroad with the pike leading to the County Infirmary, and not on the fair grounds as first reported. Florer is about twenty-five years old, is crippled in one leg from "white swelling," and was an inmate of the Infirmary for eleven years. Hilen, whose wife is matron at the above institution, is a sort of superintendent about the place. A month ago, he and Florer had a quarrel one day during which Florer attempted to shoot him. What this fuss was about has not been definitely learned. Florer left and went to Carlisle. He returned yesterday, and was walking out the railroad track to the fair grounds, when he was met by Hilen, (who was returning from the fair,) at the point named. Hilen was renewed. Finally, Hilen put with his pistol. Constable Redmond, who had just arrived at the scene, seized Hilen and attempted to prevent any shooting. Hilen, however, thrust the pistol over the officer's shoulder, and fired three shots at Florer in quick succession. Florer was only four or five feet distant. He threw up his left arm and one of the balls penetrated above the elbow, ranging upwards and lodging under the skin at the back part of the arm. One ball cut the skin at the tip of the left shoulder-blade, and the last missed altogether. Florer was taken up to the grand stand, where Dr. Garrett Holton extracted the ball—38-calibre—and dressed the wound. Constable Redmond placed Hilen under arrest. Afterwards Hilen executed a \$500 bond before Squire Vicroy for his appearance this morning to answer the charge of shooting and wounding with intent to kill.

Hilen's examining trial this morning resulted in his being held to answer the charge at the next Circuit Court. He gave bail in the sum of \$300 and was released.

### An End to Bone Scraping.

Edward Shephard, of Harrisburg, Ill., says: "Having received so much benefit from Electric Bitters, I feel it my duty to let suffering humanity know it. Have had a running sore on my leg for eight years; my doctors told me I would have to have the bone scraped or leg amputated. I used, instead, three bottles of Electric Bitters and seven boxes Bucklen's Arnica Salve, and my leg is now sound and well."

Electric Bitters are sold at fifty cents a bottle, and Bucklen's Arnica Salve at 25c per box by J. C. Pecor & Co., and S. P. Campbell & Co., of Aberdeen Ohio.

## CLOTHING.

After spending three weeks in New York, our Mr. LOUIS ZECH has returned home with the Handsomest and Lowest-priced lines of Clothing ever brought to this market. We are showing perfect gems in Boys' and Children's wear, and our display of Men's goods was never equaled in this market. The way we are constantly growing in trade is sufficient to prove that our work, styles and prices are superior. As usual, we are also first in the market with fresh designs in Furnishing Goods and Hats. While visiting the Fair, give us a call.

## MERCHANT TAILORING.

In this department we are making special efforts. Having secured Mr. Gus. RUDOLPH (formerly with George Fisher, Cincinnati's leading tailor) as Manager and Cutter, we are free to say we have no competition for Goods, Style and Well-finished Garments. We are showing larger, better assorted and nobbier lines of Piece Goods than were ever shown by any other house in Kentucky; and as we have determined to do the trade, we will make our work advertise us. Do not fail to call and see the handsomest line of Piece Goods in the State.

MR. C. C. HOPPER had a rather close "shave" this morning. While en route to the fair grounds in a buggy, the horse he was driving took fright at something along "Owens' Row," and started on a dead run. A COUPLE of the hands at work on the new railroad fell out about something yesterday afternoon near the station at the fair grounds, and one had got a good start at mauling the other's brains out with a jack-screw, when Dr. Owens, James Stewart and other by-standers interfered and put a stop to the booddy work. ## HECHINGER'S!

It is a familiar sounding name to most everybody, hence we need no further introduction to the visitors to our Young Men's Fair. We will simply say that, as usual, we desire all our visitors to make our storerooms headquarters. We will take the best of care of you. In anticipation of this year's Fair being the Kentucky Fair *par excellence*, we have thoroughly renovated, decorated and beautified our rooms to that extent that we can justly claim that we have the most elegant and best appointed Clothing establishment in the State. Though somewhat early for the coming season, we are already prepared to show our friends a full and complete stock of Fall Goods. We have no space to enumerate; we will only say this: we believe no house in the State shows as complete a stock of Tailor-made Clothing and Merchant Tailoring Goods as we do! Our prices, considering the class of goods we sell, will be found more than satisfactory. Gentlemen in need of Shirts, Underwear, Collars, Cuffs, Hose, Ties, &c., will find just what they want in our house. During the week our Mr. DAVE HECHINGER will be found at the helm, and will be glad to welcome all of his friends at the ODDFELLOWS' HALL CLOTHING STORE. Respectfully,

## SECTION BOSS TO BLAME.

VERDICT OF THE CORONER'S JURY AT CHATSWORTH.

They are Still Undecided on the Question of Censuring the Railroad Company. Testimony Before the Inquiry—Homicide to Be Arrested.

CHATSWORTH, Ill., Aug. 18.—Two primary facts were developed by the coroner's jury, which for seven long hours examined witnesses after witness yesterday afternoon. These were disobedience and obtuseness, the primary causes of the slaughter at the culvert near here Thursday morning. Had Section Foreman Timothy Coughlan obeyed the instructions received from his superior officer, and had some of the men, one of them in particular, who saw lights on the railroad track for hour after hour on Wednesday night before the ill-fated excursion train came along, exerted themselves to the extent of a two mile ride on a hand-car, the catastrophe which has horrified the civilized world would never have occurred.

The inquiry took place in the public school building. Several residents of Piper City saw a light burning on the railroad track toward Chatsworth on the night of the accident, but made no effort to investigate the cause.

Joseph Morris, a farmer, living half a mile south of the culvert, swore that he saw two or three of the section men firing the grass in proximity to the bridge just before dark on Wednesday afternoon. After dark he saw a blaze in that direction big enough to make him think that a building was on fire. His testimony was corroborated by other farmers.

The jury is in session, but there is delay in making out a verdict. The jury is agreed in fixing the immediate blame on Foreman Coughlan, but is divided, however, on the question of censuring the company. Some of the members think that because of hard luck for many years it would be rather severe to censure the management, which has been putting the road on its feet and spending money to improve its condition. Others insist on censuring the practice of running double-headers. The jury is almost wholly composed of farmers. The company's officers at Peoria will make up the list of the dead and send it to the jury, and the document cannot reach Chatsworth before noon. A verdict will, of course, be delayed until then.

Coroner Long yesterday demanded possession of the gold watch found by Farmer Broadhead in the ashes of the wreck. Mr. Broadhead refused to give it up. Last evening Mr. Stevens, attorney for the road, advised that a subpoena be issued, and if Mr. Broadhead failed to give it up that he be arrested for larceny. Other parties who carried away valuable articles for relics will be looked after.

### PENNSYLVANIA REPUBLICANS.

Proceedings of the State Convention at Harrisburg—The Ticket.

HARRISBURG, Pa., Aug. 18.—The Republican state convention was devoid of much interest, as the nominations were practically made last evening. The attendance was slim, the 204 delegates constituting more than half. No political body has ever convened here with so little friction, the delegates uncomplainingly submitting to the program of the leaders. There was a noticeable absence of prominent Republican politicians.

Walter Lyon, of Allegheny, was elected temporary chairman. He made a brief speech urging upon the convention the importance of the campaign of this year because of the effect it will have on the struggle for the presidency next year. He trusted the platform would have no uncertain sound on the great issues of the day. The usual committees were appointed, excepting a committee on credentials, as there were no contests.

Adj. Gen. Hastings was elected permanent chairman. In his address he predicted that after the nominations the Republicans would advance to the skirmish line of the great battle of 1888, and November's victory would notify other states that Pennsylvania was not satisfied with the present national administration.

After Hastings' speech W. E. Hart, of Harrisburg, was nominated for state treasurer, and Henry W. Williams, of Tioga, was nominated for supreme court judge.

Thomas V. Cooper was re-elected state chairman, after which the convention adjourned sine die.

**W. C. DePauw's Will to Be Contested.**  
NEW ALBANY, Ind., Aug. 18.—Mrs. Sarah E. McIntosh, oldest child of the late millionaire, Washington C. DePauw, who had married against her father's will, was virtually disinherited, all she received being two poor farms in Washington county, valued at probably \$5,000. She can not even dispose of these according to the provisions of the will. She claims to be entitled to one-sixth of the estate, valued at about \$6,000,000, and will therefore bring suit to break the will for the reason that it was unduly executed.

**Firemen's Association.**  
PLYMOUTH, Ind., Aug. 18.—The seventh annual meeting of the State Firemen's association convened in this city, delegates representing the volunteer departments from all parts of the state being present. The welcoming address was delivered by Hon. H. G. Thayer, and responded to by President Frank Finney, of Goshen, Ind. The election of officers for the ensuing year was postponed until to-day, immediately following which will commence the two days' tournament.

**CHARLESTON, S. C., Aug. 18.**—Thomas Francis Crogan, a well known white citizen, who lived alone at an out-of-the-way place, just above the city boundary line, was found this morning brutally murdered and robbed by unknown parties. A load of buckshot entered his left side from behind, and it is presumed that the assassin fired at his victim through an open window.

**A Dishonest Paymaster.**  
GOSHEN, Ind., Aug. 18.—Yesterday Amos Cripe, a trusted bookkeeper and paymaster of the Noble Oval Church company, left for parts unknown, having been detected stealing from the firm under cover of a false pay roll. This has been going on for years, and his stealing amount to \$1,200.

**Section Hand Run Over.**  
SPENCERVILLE, O., Aug. 18.—A westbound through freight on the C. & A. road, ran over one of the section hands at Enterprise, a few miles west of here, inflicting injuries from which he cannot recover.
